

Grant report - Icelandic Visual Arts Fund

Grant report of project grants from the Icelandic Visual Arts Fund - The Visual Arts Council monitors that grants are used as described in the application. At the end of the project, the grant recipient presents the achievements and results to the Visual Arts Council in a written report no later than three months after the end of the project for which the grant was awarded, or in an interim report if the project extends over more than one calendar year.

Grant recipient or project manager if applicable
